

Can you give the numerical & player answer to the questions below...

Eg. A fly-half + a second row = __

$$\text{cinch 10} + \text{cinch 4} = \underline{\quad}$$

$$\text{cinch 15} - \text{cinch 12} = \underline{\quad}$$

$$\text{cinch 9} + \text{cinch 3} = \underline{\quad}$$

$$\text{cinch 1} + \text{cinch 2} + \text{cinch 4} = \underline{\quad}$$
